INTRA-OFFICE MEMORANDUM

SUBJECT Request for Discontinuance of the Preparation
of SSU Efficiency Index.

TO Chief, Collection Group FROM Analysis Branch DATE 24 Jul 46 COMMENT
NO. 1
NAME & TEL. Capt. Barnhart/6017

1. The Efficiency Index was originally prepared on OSS for the Chief, MIS and was continued for SSU. At the present time neither the Efficiency Index nor the Detailed List of Evaluations used in its preparation are transmitted to the field as is done with those of the Military Attaches.
2. The preparation of the Efficiency Index for SSU involves approximately the same amount of time as that required for the preparation of Efficiency Index for all Military Attaches.
3. In addition to the time consumed by Analysis Branch in the preparation of this report the individual researchers must evaluate several hundred documents weekly. A request has been made by Information Control for Planning, Intelligence Group, that the researchers be permitted to discontinue the evaluation of SSU reports. The researchers could then devote more time and care to the evaluation of MIA reports.
4. Because of the burden the preparation of the Efficiency Index places on the Analysis Branch and the Research Branches, with the limited personnel, it is requested that the preparation of this Index be discontinued.
